FINAL PROGRAM

Welcome to the 2024 ACUNS Annual Meeting

Welcome to the 2024 Academic Council on the United Nations System (ACUNS) Annual Meeting! The ACUNS leadership is extremely grateful to the United Nations University-Tokyo and to the University of Tokyo-Komaba Campus for hosting this special meeting on the theme of “Global Governance and Sustainable Development: Revitalizing Research to Support Multilateral Solutions.” We are especially thankful to the 2024 ACUNS Program Chair, Dr. Ai Kihara-Hunt, Professor of the Graduate Program on Human Security and Director of the Research Center for Sustainable Peace and the University of Tokyo.

As you know, the ACUNS Secretariat is now housed at Georgetown University. Dr. Martha Thomas serves as ACUNS Executive Director, and Assistant Professor of Practice in the School of Foreign Service at Georgetown. At this meeting, we also welcome Dr. Franz Baumann as incoming ACUNS President!

This is the 37th ACUNS Annual Meeting—meaning that there are 36 years of remarkable history of learning and sharing. Thousands of scholars, UN officers and other practitioners have attended these Annual Meetings in different cities around the world, and are part of the ACUNS global network. The first and last time the ACUNS Annual Meeting was held in Asia was in 2017, in South Korea, at Sookmyung Women’s University.

At this 37th ACUNS Annual Meeting, we inaugurate the ACUNS Lecture in Honour of Kofi Annan, former UN Secretary-General. Kofi Annan was a founding member of ACUNS and was deeply committed to the engagement of academics and practitioner communities for the advancement of understanding and improvement of the UN system. The inaugural lecture will be delivered by Volker Türk, UN High Commissioner for Human Rights. We are also very much looking forward to keynote addresses by Amina Mohammed, Deputy Secretary-General of the United Nations; Pedro Conceição, Director of the Human Development Report Office, UN Development Programme; and Professor Tshilidzi Marwala, Rector of the United Nations University and UN Under-Secretary-General.

Sustaining this network and encouraging its members to share their growing knowledge and skills with each other, is an important purpose of the Annual Meeting. Indeed, it is part of the mandate of ACUNS itself: to foster innovation and excellence in scholarship and practice related to the United Nations, international organization(s), and global governance, and to promote dialogue between academic and practitioner communities.

With this in mind, it is important to note that we come together as individuals bringing a wide variety of expertise, perspectives and ideas to the table. We seek to learn from each other in order to improve both analysis and action. **Please make sure to attend each other’s panels and roundtables.**

Please also keep the future of ACUNS in mind. If you would like to volunteer for ACUNS—serve on a committee, host an Annual Meeting, Annual Workshop, the journal *Global Governance*, the ACUNS Secretariat, or serve on the board, please come talk with a member of the ACUNS leadership team.

We look forward to constructive and engaging discussions in Tokyo!

WAYS TO ENGAGE & HOW TO PREPARE

Bring Your Laptop

This is a hybrid Annual Meeting. Please bring your laptop and earphones to facilitate hybrid interaction and be mindful to include online participants in discussions. Speakers tuning in via Zoom are indicated with a [v] for virtual.

Please note that For Japan there are **two associated plug types, A and B**. Plug type A is the plug which has two flat parallel pins and plug type B is the plug which has two flat parallel pins and a grounding pin.

Additionally please note that Japan operates on a **100V supply voltage and 50/60Hz**.

Meals and Refreshments Provided

ACUNS will provide lunch, coffee breaks and a reception at the end of each day. Please plan to stay for the day, and **attend each other's panels and roundtables**.

Reminders to Chairs, Discussants, and Authors

NB: Panels include a Chair, a Discussant, and several authors of working papers or policy briefs.

Roundtables are composed of a Chair (book author for book roundtables), and several experts who provide commentary.

Chairs contact all panel/roundtable participants approximately 10 days ahead of the Annual Meeting to facilitate the logistics of the session. ACUNS will provide each Chair with the email addresses. For additional assistance, contact annualmeeting@ACUNS.org

Chairs request that authors – of working papers, policy briefs or books – circulate their work to the discussant(s) and other panelists at least one week before the Annual Meeting. During the meeting, Chairs are responsible for introducing the speakers, keeping time, and facilitating meaningful research-policy discussions and debate among panelists and between panelists and the audience. Make sure to reserve approximately 20 minutes at the end for Q & A. We will place time cards in each room, so you can flag to each panelist how much time they have left and ensure sufficient time for Q & A.

Discussants are responsible for reading working papers and policy briefs ahead of time, and for providing constructive feedback during the panel in approximately 7-10 minutes total. Discussants should receive materials one week ahead of the meeting.

Authors on Panels are responsible for sharing their materials – working papers and policy briefs—with the discussant(s) and fellow panelists at least one week before the Annual Meeting. Authors may also want to familiarize themselves with the works of fellow panelists in order to engage in a more meaningful discussion. Authors should present their research/policy findings in approximately 7-10 minutes during their panel. Authors can, but are not required to, use slides.

Roundtable Participants provide expert commentary on a specific theme or book. Comments should be limited to 8-10 minutes, depending on the number of other participants and advice of the Chair.

Attendees who do not otherwise have a speaking role are encouraged to participate in the Q & A, and to apply to participate in a future ACUNS Annual Meeting!
