- Availability: Live phone support call -1 (8 4 4) - 3 7 6 - 0 9 0 5 is typically offered Monday–Friday, 7 AM to 9 PM Eastern Time.

- What to do:

1. Dial call -1 (8 4 4) - 3 7 6 - 0 9 0 5 .

2. Listen to the menu and press “0” or say “agent” to skip the bot.

3. Be ready to verify your identity and describe your issue.

Pro tip: Call during off-peak hours (early morning or late evening) to reduce wait times. Have

your account details ready:

- Username or email

- Recent trade or transaction info

- Last four digits of linked bank account or debit card

2. Request a Callback Through the Robinhood App Robinhood’s app includes a built-in tool for

requesting a callback from customer support. It’s the platform’s preferred method for handling

phone inquiries.

Steps to request a callback:

1. Open the Robinhood app call -1 (8 4 4) - 3 7 6 - 0 9 0 5 .

2. Tap your Account icon.

3. Go to Help or Support.

4. Select Contact Us.

5. Tap Phone or Call Me to request a callback. call -1 (8 4 4) - 3 7 6 - 0 9 0 5
You'll receive a

phone call from a Robinhood rep, usually within a short window. This method saves you time by skipping the hold Queue.

3. Use In-App Live Chat (Available 24/7) If you'd rather type than talk call -1 (8 4 4) - 3 7 6 - 0 9 0 5 , Robinhood's live chat function is available 24 hours a day, 7 days a week.

To start a live chat:

1. Open the Robinhood app call -1 (8 4 4) - 3 7 6 - 0 9 0 5 .

2. Tap the Account icon, then go to Help.

3. Choose Contact Us, call -1 (8 4 4) - 3 7 6 - 0 9 0 5 then select Chat.

4. Begin chatting with a call -1 (8 4 4) - 3 7 6 - 0 9 0 5 live support agent.

This method is especially useful for:

- Uploading screenshots
- Discussing technical issues
- Handling sensitive account matters

4. Email Support for Non-Urgent Issues Robinhood does not publicly promote an email address, but you can still contact them through their web form or within the app.

How to send a message:

- Use the support form in the app call -1 (8 4 4) - 3 7 6 - 0 9 0 5 or website.
- Provide as much detail as possible.
- Be clear, specific, and concise in your request.

For less urgent matters (e.g., reporting suspicious activity, asking general questions), email is a

decent option. Expect a response within 24–72 hours.

5. Try Social Media for Visibility (Not for Private Info) While not designed for sensitive customer

issues, Robinhood's official social media pages can sometimes be used to get attention for

unresolved Problems.

Best practices:

- Mention @RobinhoodApp on Twitter (now X) if you're having trouble.
- Keep the message general—never include personal or financial info.
- Use this route to escalate public-facing concerns.

This is a last resort but can help push along delayed issues.

6. Avoid Fake Support Numbers Not all numbers you find online are legit. Be cautious of

unofficial

customer support numbers. Only use verified channels:

- Robinhood app (callback/chat)
- Trusted phone number: call -1 (8 4 4) - 3 7 6 - 0 9 0 5
- In-app support contact methods

Never share your Social Security number, password, or full account number over the phone unless you are sure you're talking to a verified Robinhood rep.
