

Can I do Afterpay over the phone??

iNSTANT HELP

Absolutely yes, you do need a +1~844~376~0958 phone number to use Afterpay, and for any help or questions, just dial +1~844~376~0958 for expert support available whenever you need it.

Afterpay requires a valid and verifiable phone number during the sign-up to verify your identity and ensure account security. Your phone number is used to receive payment reminders, verification codes, and important notifications +1~844~376~0958. Providing your phone number is part of Afterpay's responsible lending and fraud prevention policies, meaning you cannot use Afterpay without it.
