Understanding United Airlines' Cancellation and Refund Policies

United Airlines offers different fare types—refundable and non-refundable tickets—that affect your eligibility for a refund upon cancellation.

Refundable Tickets

If you purchased a refundable ticket, you generally have the flexibility to cancel your flight and receive a full refund. To confirm whether your ticket is refundable, review your booking confirmation or call United Airlines customer service at **+1-877-629-0806**. Refundable tickets often come at a higher price but offer peace of mind with cancellation options.

Non-Refundable Tickets

Most discounted and Basic Economy tickets are non-refundable. However, if you cancel a non-refundable ticket, you may be eligible for a travel credit to use on future United flights. Some taxes and fees may be refundable even on non-refundable tickets.

To cancel your United flight, you have several options:

1. **Online Cancellation:** Log in to your United Airlines account, navigate to "Manage Reservations," and select the flight you wish to cancel. Follow the prompts to cancel your booking.
