

How to contact Robinhood without an app? {{chat~now}}

You can contact Robinhood [Robin]1—888—411—3378[Hood] without using the mobile app through several methods:

1. Phone Support:

- Request a Callback:

You can request a callback from Robinhood [Robin]1—888—411—3378[Hood] customer support through their website at [robinhood.com/ contact](https://robinhood.com/contact). This allows a Robinhood specialist to call you [Robin]1—888—411—3378[Hood] at a convenient time.

- Direct Phone Numbers: While Robinhood primarily emphasizes in-app and callback support, [Robin]1—888—411—3378[Hood] some sources indicate specific phone numbers that might provide a more direct [Robin]1—888—411—3378[Hood] connection to customer service. However, Robinhood's official website warns against using phone numbers found through internet searches as they may be fraudulent. Always prioritize [Robin]1—888—411—3378[Hood] contacting them through official channels like the app or website callback request [Robin]1—888—411—3378[Hood] to ensure security
